*Dec 2022 - Jul 2024*

**Yeshwant Mahavidyalaya, Nanded**  
*Bachelor of Computer Science - **Final CGPA - 9.3***

MH, India  
*Jul 2019 - Sep 2022*

## Technical Skills

**Programming Languages:** Java, HTML/CSS, SQL, JavaScript.  
**Frameworks & Web services:** React.js, Spring Boot, REST API.  
**Database:** MySQL.  
**Tools:** Git, GitHub, Maven, VS Code.  
**Other:** DSA, DBMS, JDBC, Hibernate.

## Experience

**Java Developer (Internship)**  
*Techoctanet Private Limited*

Aug 2024 - Feb 2025  
*Remote*

- Created, maintained, and built reusable, efficient, and reliable Java code.
- Implemented and tested RESTful APIs using Spring Boot for back-end services, ensuring seamless integration and performance.
- Utilized GIT for version control, enabling streamlined collaboration and efficient code management.

## Projects

**Crypto Trading Platform** | *Java, Spring Boot, React.js, REST API, MySQL*

Jan 2025 - Apr 2025

- Developed a full-stack crypto trading platform allowing users to register, log in securely, view real-time cryptocurrency prices, and perform buy/sell operations.
- Built secure and scalable RESTful APIs using Spring Boot, implementing JWT-based authentication and role-based authorization.

**Home Services Provider (Android App)** | *Java, XML*

Jul 2023 - Oct 2023

- Built a user-friendly mobile app that helps homeowners quickly find and book home services. Designed an intuitive interface to enhance user experience.
- Streamlined the process of connecting homeowners with professionals for services such as plumbing, electrical work, and cleaning.

**Online Bus Ticket Booking** | *Java, HTML/CSS, MySQL*

Jan 2023 - May 2023

- Developed a full-stack web application using Java technology for the back-end and HTML/CSS for the front-end.
- Integrated features like booking tickets, cancel tickets, profile updates, and secure login/logout.
- Created a user-friendly interface to interact with the app.

## Certificates

- Java Programming Masterclass (Yhills Platform) Aug 2024 - Jan 2025
- AWS Certified Developer - Associate (Great Learning) Oct 2024 - Nov 2024
